Sundays Please add \$300 to Saturday cost. To Disinter Remains \$300 processing fee + actual time & materials

Winter Storage \$200 Winter Burials Priced per case, based upon review of climatic influences

Foundations

Flat rate of fifty-five cents (.55) per square inch of surface area, NOTING THAT:

All Foundations are required to be at least four (4) inches larger per side than the outside dimensions of the marker (this creates a two (2) inch “lip” around the entire headstone perimeter).

Example: a marker 12x24 requires a Foundation of 16x28 (totaling 448 square inches);
 448 sq. in. X .55 cents = a total Foundation cost of: \$246.40.

United States Military Veterans enjoy a “Service Appreciation” flat fee: \$50.00/foundation with proper documentation

- There will be an additional \$50.00 fee charged for burials after 3:00p.m. on weekdays.
- To qualify for **Resident** rates: the deceased must have been a resident or taxpayer in the City at the time of death, or intermly residing in a nursing facility/hospital or family member’s home receiving care.
- The sale of graves is on a first-come-first-served basis; Evart will “hold” (reserve) such for 72 hours while customer finalizes financial arrangements.
- The simultaneous burial of a baby alongside an adult will be considered as a “single adult burial” in terms of fees
- Forest Hill allows for eight (8) cremains per Grave, unless Lot geography dictates fewer
- Number of babies which can be buried per grave to be reviewed on a per case basis
- All grave and foundation sales require the balance paid-in-full at time of purchase
- Opening and Closing costs will be paid-in-full before internment or disinterment
- Perpetual Care is the ongoing mowing and manicuring of the grounds where the grave is located
