RE: Water/Sewer Hook Ups

Dear Resident,

It has come to our attention that you are not currently hooked up to the City water and/or sewer system. In an effort to help our residents get hooked up to the City systems, the City is offering a twelve (12) month window in which the City will waive all tap in fees and other associated fees. For water, this means waiving the \$1,000.00 tap in fee along with other charges, and for sewer it means waiving a \$1,500.00 fee along with other charges. This effort will be completed from September 1, 2014 to September 1, 2015.

After September 1, 2015 the following fees will apply for water and sewer connections:

- Water
  - \$1,000.00 Tap-in Fee
  - \$50.00 Turn-on Fee
- Sewer
  - \$1,500.00 Tap-in Fee
  - \$100.00 Connection Fee
  - \$50.00 Turn-on Fee

If you wish to have your water and/or sewer connected to the City's systems during the time period listed above, or have any questions, please contact the Water/Wastewater Department at 231-734-5793, or City Hall at 231-734-2181.

Thank you,
