STREET VACATION PERMIT

Date:

Once an application is submitted, along with all pertinent filing information, City staff will review it for completeness. If additional material is necessary, you will be contacted. Once the application is determined to be complete, staff will present the application to the City Council who will determine whether to schedule public hearings to consider the request. If the Council decides to forward the request to a public hearing, staff will then prepare a report for Planning Commission review. The staff report is available seven (7) days prior to the Planning Commission public hearing. The Planning Commission will conduct a public hearing and make a recommendation to the City Council. The City Council will conduct a second public hearing and make the final decision. The City Council decision can be appealed to the City of Ewart Zoning Board of Appeals.
